Ice Wall - Facebook page administration

Ice Wall safety training with Irwin Guides

Irwin Guides discussions - marketing with Chamber of Commerce

Pilates

Facilities Management - Armory - events, rentals, fitness center and maintenance

MONTHLY REPORT

DECEMBER 2017

Lake City Parks and Recreation

Ski Hill

I submitted our response to the Tramway Board the last week of December. We had two deficiencies related to tree trimming along the lift line and one related to the platter deflectors on the towers. Don took care of both the issues.

I also added two more terrain park features in addition to the propane tank. One is a smooth meter pit and the other was an old piece of water line that is 20 feet long. The kids will love them.

Katherine, Harrison, and Ron all passed their binding test. Henry then hosted a lift operator training and Don, myself, Harrison, and Ron attended that also.

We just need snow, but we are now ready to open.

Armory

Ron finished the painting I had started in the multi purpose room. As time allows we will do the hallway.

The Town and DIRT sponsored the Christmas in Lake City crafts. It was well attended.

Ice Rink

There is already good ice on the ice rink and a lot of people have been using it over break. The leveling of the lot and the new liner has made it much easier to maintain. I covered all the steel post ends with pipe insulation for safety. We will continue to add layers as needed.

Ice Park

The ice park has been a huge learning experience. We started with 20 feeder lines. I tried running them all at the same time but they all froze but a few. I then cut the system in half where I could isolate the first ten. Then all froze but 5. So then I abandoned half of the main supply line and went to 4 garden hoses as the smaller feeder lines. I made it that you can simply disconnect these from the main line and take them to get thawed out if needed. I found that 4 lines is the magic number that won't freeze. You can also pull the garden hoses back out of the way each morning so the climbers don't walk on them with their crampons. The maintenance is minimal compared to before. I created two new routes and as they get enough ice to climb I will continue to make more. A DIRT grant has paid for everything so far. We purchased a fire pit from Guy Corder, moved two picnic tables back to that area and purchased and installed a sign from Signs by Mike. The area looks really good.

Parks

Apparently everyone wasn't happy with the decorated tree based on facebook feedback. Russ offered to get donations to decorate the big tree next Christmas with the help of Gunnison Electric. The only thing is that the truck will most likely need to drive into the park and risk damaging the sprinkler system. We could take this chance and see what happens. Another thing we could do is decorate the big spruce tree across the street from the pet food store on Silver and have all of the Christmas celebrations down that way, caroling and merriment every night for weeks around the tree.

Trees

Nothing to report

Other

Public Works Report

December, 2017

For the month of December, the Town of Lake City produced 5,426,900 gallons of safe drinking water and the Wastewater Treatment Plant processed 1,295,994 gallons of wastewater. For the same period last year, the Town produced 8,261,800 gallons of water and processed 912,768 gallons of wastewater.

- Jameson and I started out the month by finishing up work at the new bridge to the ice climb wall. We added material and reinforcement in order to level the site and ensure there would be no movement once the platform was in place. With the help of Terry Klug and Ben Hake we were able to maneuver the platform into place and set it on the concrete footings. All went well and we are only waiting for the handrails to be fabricated and installed.
- On the 5th we received our blower motors that were being rebuilt and serviced. The techs that delivered the motors were also responsible for installing the rebuilt motors and hooking them up to the blowers. I am happy to say the motors are better than before and operating with increased efficiency.
- Jameson and I were very fortunate to be part of the training that Caroline Mitchell coordinated and was presented by "Irwin Mountain Guides". The class, which was focused on ice climbing basics, was very informative and will increase our safety when working at the ice climb hill. There were multiple Town employees that participated in the training and I thought it was well executed. Both Jameson and I are looking forward to helping out when we can at the Ice Climb Park.
- Mid-month saw the CR142 waterline extension project wrapped up with the new waterline passing all required tests. Webco finished well ahead of schedule and did an admirable job.
- As part of my continuing education and re-certification I attended a class in Rifle. The class was focused on waste water lagoons and similar systems. There was some very useful information for our particular situation, especially in regards to algae reduction and protection of receiving waters.
- Jameson completed the last meter read of the year and did so extremely fast. Typically snow will slow things down this time of year, but that was not a factor. There were a few issues that were dealt with by our town Clerk and Jameson, nothing too concerning though. I would like to give credit to both Jamie and Jameson who work very well together on sorting out the issues after the read.
- As you can see, I am away on vacation and Jameson is taking my place at this first meeting of the year. Please forgive my absence and if any of you should have questions that go unanswered I will be glad to speak with you upon my return. I hope you all had a great New Year's Eve and wish you the best in 2018.

Respectfully submitted,

Greg Levine
Public Works Director

**Town Clerk Report
January 3, 2018**

BOARD OF TRUSTEES MEETINGS

- Prepared agendas, packets, logistics, bills payables reports, and public notices for BOT regular meetings. Recorded meeting audio and create minutes, post both to the web site.
- Work closely with Town Manager and Attorneys on setting Agenda's
- Set up Multi-Purpose room – Clorox counters, tables, chairs

ELECTION

- Continue editing and creating Election documents in preparation for 2018 Election
- Publish Nomination Petitions available notice
- CML Election webinar
- Edit Campaign Finance Document
- Continuation of creation of Nomination Petition(s)

RECORDS MANAGEMENT

- Updated Website with Agenda, Packet, Minutes, Meeting Recordings, Bills Payable
- Update Facebook and website with Town Recreation activities
- Continue to post/forward Ice Wall Facebook posts to Town page as well as a San Juan Mountains page

MISC. TOWN CLERK DUTIES

- Process (9) weight room memberships
- Assist Historic Preservation Commission with administrative duties
- Process two court date continuances
- Attend one additional planning date for Court
- Post (2) Public Notices Planning and Zoning and (2) Historic Preservation Commissions and (1) Ad Hoc
- Publish Public Notice for Budget
- Teleconference with Mr. William Sweeny, Esq at Muni Code
- Create/Process Tree City docs for Parks Director

MISC. TOWN HUMAN RESOURCE DUTIES

- Process two payrolls for the month of December
- **BOOKKEEPING & ACCOUNTS RECEIVABLE**
- Process \$79, 405 in deposits as of 12/28/2017
- Balance December Bank Accounts
- Post November Financials on website and iPads.
- Processed accounts payable from vendors, allocating expenses to appropriate accounts, mailed Accounts Payable checks and or pay four accounts on line
- Create and process various journal entries for the General Ledger
- Work closely with Town Manager on 2018 Budget (spreadsheet) entry.
- Work closely with Town Manager on 2018 Fee Schedule

OFFICE MANAGEMENT & MISCELLENOUS DUTIES

- Maintain office supplies
- Clean Town bathroom and kitchen – Clorox office frequently

WATER & SEWER ACCOUNTS & BILLING

- Bi-monthly utility billing
- Billing adjustments/Payment adjustments/Manual billing when needed
- Continual close interaction with utility customers
- Final bill utility accounts and set up new accounts

Respectfully submitted,

 Tami

To the Town of Lake City Trustees:

It's never too soon to have something on the ballot. OHV's were voted on at least 3 times and the proponents came from all angles; the trial basis became OHV's on our streets. Perhaps this will be on the ballot again someday as well. It's part of the democratic process.

Marijuana: Much more is known about it by now and attitudes have changed. Marijuana is safer than either tobacco or alcohol. I am currently using marijuana for pain, to help eliminate nausea, and to increase my appetite. No over the counter or prescription medicine can do all of this for me. Pills only treat one symptom. I spent one month in St. Mary's Hospital after my accident. I cut my usage of opiate based drugs voluntarily, by getting by on a half dosage. Then I switched to Tylenol and cutting it to a half dosage. These drugs addressed the pain but caused nausea and constipation. Cannabis addresses the pain, helps with the nausea, helps with appetite, and does not cause constipation.

I am in strong support of allowing a marijuana dispensary in Lake City. We won't have to drive to Gunnison to get it. We will benefit from the tax revenue generated. It will not run off any tourists. Silverton has 2 dispensaries, Ouray has 1, Ridgeway has 2, Gunnison has 6, and Crested Butte has 2. Telluride, Montrose, Antonito, and Alamosa all have dispensaries. There are no reports of losing tourists. Teen use since legalization went down or stayed the same. The Denver Post reported that teen use stayed the same while the Washington Post reported that teen use went down by 9%, and Scientific American Teen reported that teen use went down. Crime is down in Colorado since legalization. DUI arrests are down. Domestic violence is down. This is much more positive than negative.

People who want to use it will always find a way to get it. Many people grow their own for personal use. The only reason it ever became illegal was because of lies from pharmaceutical companies and corrupt politicians who were bribed. Before 1937, even people in Lake City used marijuana as medicine. The miners used it.

Finally, the wording on the ballot should be one question, not 2 parts. Medical/recreational should both be allowed, because if you split it, you take away the viability of a potential business. It is not up to the town if someone succeeds in business, but why be responsible for creating a situation destined for failure?

Sincerely,

William E. Brown

**TOWN OF LAKE TOWN, COLORADO
RESOLUTION NO. 1016**

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE TOWN OF LAKE CITY, COLORADO, APPROVING A PLAT OF BROWNS KNOB RE PLAT, UPON A REFERRAL FROM THE PLANNING COMMISSION TO APPROVE SAID PLAT.

WHEREAS, the Board of Trustees has received a referral from the Planning Commission to approve a Plat of Browns Knob Re Plat into Brown’s Mesa from the Planning Commission after conducting a public hearing on the same; and

WHEREAS, the Plat of Browns Knob Re Plat is located within Re Plat of Part of Blocks 11 & 12, Town of Lake City to be Designated as Block 12-A, Reception Number 72626, recorded at the Hinsdale County Clerk & Recorder’s office.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF LAKE CITY, A COLORADO TOWN, THAT:

The Plat of Browns Knob Re Plat is **APPROVED**.

ADOPTED THIS 3rd DAY OF JANUARY, 2018

TOWN OF LAKE CITY, COLORADO

**TOWN OF LAKE CITY, COLORADO
RESOLUTION NO. 1018**

A RESOLUTION BY THE BOARD OF TRUSTEES OF THE TOWN OF LAKE CITY SUBMITTING TO THE REGISTERED ELECTORS OF THE TOWN OF LAKE CITY AT THE APRIL 3, 2018 REGULAR MUNICIPAL ELECTION TO BE HELD A BALLOT QUESTION REGARDING WHETHER THE TOWN MAY PUBLISH NEW ORDINANCES IN THE NEWSPAPER BY TITLE ONLY AND PROVIDE A FULL COPY OF THE NEW ORDINANCE TO BE CONSIDERED TO THE PUBLIC AT TOWN HALL.

WHEREAS, C.R.S. 31-16-105 allows municipalities to publish ordinances by title only as opposed to in full upon voter approval; and

WHEREAS, the cost to publish any new ordinance being considered by the Board of Trustees in full is considerable and it would be more cost effective to publish the title only and provide a complete copy of any new ordinances being considered to the public at Town Hall.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES FOR THE TOWN OF LAKE CITY, COLORADO:

The following ballot question and title shall be submitted to the electors at the April 3, 2018, regular municipal election to be held:

SHALL THE CITIZENS OF THE TOWN OF LAKE CITY, COLORADO, APPROVE HAVING ALL NEW ORDINANCES BEING CONSIDERED BY THE BOARD OF TRUSTEES, PUBLISHED IN THE NEWSPAPER BY TITLE ONLY AND A FULL AND COMPLETE COPY OF THE NEW ORDINANCE BEING CONSIDERED BE MADE AVAILABLE AT TOWN HALL?

Yes _____
No _____

Be it further resolved that the Town Clerk and Town Manager are hereby authorized and directed to take all necessary and appropriate action with respect to the submission of the above ballot question to the electors and the holding of the regular municipal election to be held on April 3, 2018.

Adopted by the Board of Trustees, this 3rd day of January, 2018.
